Arkansas Baptist College needs information from you to process your Financial Aid Award.

Please do not make any further changes to your FAFSA application. Any changes at this point will delay processing of all paperwork

Your federal student aid application has been placed on hold at Arkansas Baptist College because you have accepted aid at another institution during this aid year.

Students may not receive federal aid at more than one institution during the same term or for time periods which overlap. If you will be attending ABC for the remainder of this year, please update your enrollment with your previous school and request to cancel any pending financial aid disbursements.

- If you have resolved your pending disbursements at your previous institution already, please ***attach an updated award letter to this form*** showing all undisbursed aid has been canceled to this form and submit it to the Office of Student Financial Aid and Scholarships.
- If you have canceled your pending aid and are unable to turn in an updated award letter, please contact our office and request that we confirm cancellation with the Department of Education.

If you have questions about loan eligibility or receiving financial aid, please contact our office at 501.420.1226 or financialaid@arkansasbaptist.edu so we may assist you.
